Contact Information

Hi, I am Andrea

I am a creative and skilled computer engineer specializing in digital media. Since 2022, I have been crafting engaging visual content, including posters, videos, cards, games, animations, and stop-motion.

With expertise in Adobe Photoshop, Illustrator, Animate, and After Effects, I bring ideas to life through compelling designs and dynamic animations.

I also excel at creating impactful presentations that effectively communicate ideas. My passion for digital media drives me to push creative boundaries and deliver high-quality, visually stunning work.
